This is a letter of support for Dewayne John James, date of birth 29.02.84. Dewayne has a full time position as a trainee clerical worker for Bunjum Co op at Cabbage Tree Island, and he resides in Ballina. His work hours are from 9am to 5pm Monday to Friday and there is no suitable public transport available at those times from Ballina to Cabbage Tree Island. Relatives and non-family members have been supporting him by giving him lifts to work, at some inconvenience to themselves.

Dewayne is 21 years old and has completed more than the 50 hours of supervised driving that is required. He has also completed five of the six-month period that he is required to fulfil.

Given the above circumstances and the lack of driver's licenses in the local Aboriginal community, myself and this project have no hesitation in supporting Dewayne in his request to shorten the time that he has to hold his Learner's license. We would also request that, if possible, that the matter be expedited, given that he only has one more month before the six-month period is over.

If you have any questions, or if I can be of any assistance, please do not hesitate to contact me on the above numbers, or by email.

Yours faithfully

Steve Fitzgerald
Co ordinator Adult Community Education Driver Education Project.
